Candidate Class Challenge

One Army takes great pride in our Candidate Class system, as we feel that both old and new members mutually benefit from the process. Throughout their first semester in the organization, new members are required to refurbish or build a new gladiator dash obstacle, host a leadership speaker, coordinate a social event and complete a fundraising project. The planning for these events take place in weekly Candidate Class meetings. This allows new members to assume responsibility as well as take action in the organization, all while enhancing brotherhood between them.
