

Howdy,

On behalf of the men of One Army, we sincerely appreciate your interest in our organization. We hope you find this application, along with the other aspects of our admissions process, as fair and enjoyable as possible. Below, you will find the 2026 Membership Application.

One Army focuses its efforts on developing men through leadership, brotherhood and service. These foundational pillars provide our members the opportunity to build exceptional friendships, all while serving our campus, our community, and each other. As is true with any student organization, you will get out of One Army exactly what you put into it. If you are interested in becoming a part of this organization, please complete the application form, answer the required essay questions, and take part in our admission events.

We encourage you to learn more about our organization by visiting our website at <http://www.onearmy.net>. If you have any questions, please do not hesitate to contact our Internal Relations officer, Mark Engelke, at onearmy.ir@gmail.com or by phone at (318)-676-2571. Once again, we thank you for your interest and wish you the best of luck.

Candidate Class Challenge:

One Army takes great pride in our Candidate Class system, as we feel that both old and new members mutually benefit from the process. Throughout their first semester in the organization, new members are required to refurbish or build a new gladiator dash obstacle, host a leadership speaker, coordinate a brotherhood event and complete a fundraising project. The planning for these events take place in weekly Candidate Class meetings (7:00 pm every Tuesday night). This allows new members to assume responsibility as well as take action in the organization, all while enhancing brotherhood between them.
